- + any other documents **we** provide to **you** about the cover.

Applying for Cover

When applying, **you** will need to complete an application form. Based on the information **you** provide, **we** may offer cover and terms specific to **you**. **you** need to make sure **you** read and understand **your** duty of disclosure before **you** apply (see *What You Must Tell Us* set out in this section). Once **we** have agreed on the terms of the **policy**, **we** will issue **you** with a **schedule** including important information about **your** insurances.

This document and the **schedule** **we** issue to **you** should be carefully read together. It is important that they are kept in a safe place, together with evidence as to the value of the insured property. **Our** agreement with **you** is referred to as "**your policy**" or "**this policy**" in this document.

Before expiry **we** will send **you** a renewal notice which tells **you** whether **we** will renew and on what terms. The renewal notice will tell **you** what is required.

Duty of Disclosure

What you must tell us

This **policy** is subject to the *Insurance Contracts Act 1984 (Cth)*. Under that Act, before **you** enter into an insurance contract, **you** have a duty of disclosure.

This means:

1. When **you** ask for cover **we** may ask **you** questions about matters that may affect:
 - **our** decision to offer **you** cover; and
 - the terms and cost of such cover.
2. **You** must tell **us** anything that **you** know and that a reasonable person in the circumstances would include in answering the questions. **You** have this duty until **we** agree to insure **you**. If **you** asked for the cover to be renewed, extended, altered or reinstated **you** have the same duty as in (1) and **we** may give **you** a copy of anything **you** have previously told **us** and ask **you** to tell **us** if it has changed. If **we** do this, **you** must tell **us** about any change or tell **us** that there is no change. If **you** do not tell **us** about a change to something **you** have previously told **us**, **you** will be taken to have told **us** that there is no change. **You** have this duty until **we** agree to renew, extend, alter or reinstate the contract.

Who needs to tell us

Every person who will be insured under this **policy** has the same duty of disclosure and must answer **our** questions. Accordingly, it is important that everyone who is to be covered by this **policy** agrees with the answers as **we** will treat a statement, act, omission or claim by any one of these persons as a statement, act, omission or claim by all those persons. Please ask **us** if **you** are unsure who will be covered by this **policy**.

If things change

After **we** have agreed to cover **you** and while **you** are covered **you** must tell **us** of all changes that may increase the chances of a claim. In particular **you** must tell **us**, if:

1. There is a change in the:
 - use of **your home buildings** covered by this **policy**;
 - use of a building that contains **your** property covered by this **policy**;
 - state of **your** property covered by this **policy**.
2. **You** keep **your** property at a new place.
3. **You** alter, extend or renovate **your home buildings**. There is no need to tell **us** about general upkeep such as painting.
4. **You** let someone else regularly drive **your vehicle** or tow **your caravan** or **trailer**.

5. **You** modify **your vehicle, caravan** or **trailer**.
6. **You** or a person who regularly drives **your vehicle** or tows **your caravan** or **trailer** is convicted of a driving offence or causes an accident.

If things change **we** may agree to vary the **policy**. Unless **we** agree to such changes, **we**:

- + can cancel the **policy**; or
- + may refuse to pay a claim.

If you do not tell us something

If **you** don't tell **us** anything **you** are required to tell **us** **we** may:

1. Reduce the amount that **we** have to pay for a claim. This may mean that **we** do not have to pay **you** anything.
2. Cancel this **policy**. **We** may even be allowed to avoid this **policy** (treat this **policy** as if it never existed) from when it began if **you**:
 - lie to **us**;
 - deliberately or recklessly keep information from **us**; or
 - recklessly give **us** false information.

What you do not need to tell us

You don't have to tell **us** of anything:

- + that reduces the chances of a claim. But, if **you** do, it may let **us** offer **you** better terms or a lower price.
- + that is common knowledge.
- + that **we** should know as a normal part of **our** business.
- + if **we** waive **your** duty of disclosure.

Premium

In order to calculate **your** premium, **we** take various factors into consideration, including:

- + the covers requested;
- + the nature, security features, type and **location** of **your** insured property;
- + the nature and type of **your** insured activities;
- + the **sums insured**;
- + any no claim bonus entitlement;
- + **your** previous insurance and claims history.

Your premium also includes amounts payable in respect of compulsory government charges including: Stamp Duty, GST and any Levy (where applicable).

360 Farm will also charge **you** a **policy** fee to cover underwriting and administrative costs associated with **your policy**. The actual fee is shown on the tax invoice.

When **you** apply for this insurance, **you** will be advised of the total amount payable. If **you** choose to effect cover, the amounts due will be clearly **set** out in **your** tax invoice.

Significant Matters to be Aware of

We only cover the interest of **you** and any other person **you** specify, in any property covered under this insurance.

We provide cover up to the amounts and limits **we** agree with **you** when **you** apply. Refer to each section for details of the basis on which **we** will settle any claim.

You may also have to pay an **excess** when **you** make a claim. **We** agree on the amount of the **excess** with **you** when **you** apply and it will be shown on **your schedule**. **Excesses** vary according to the degree of risk, such as where the insured property is located, the nature of the insured property and **your** insurance history.

You need to make sure that **you** are happy with the amounts, limits and **excess(es)**. If **you** do not adequately insure **yourself** for **your** potential loss, **you** may have to bear the uninsured proportion of any loss **yourself**.

We may refuse to pay or reduce the amount **we** pay under a claim in certain circumstances. In particular:

- + where an exclusion applies;
- + if **you** do not comply with the terms and conditions of this insurance;
- + if **you** do not comply with **your** duty of disclosure or make a misrepresentation; or
- + if **you** make a fraudulent claim.

We may cancel **your** insurance in certain circumstances e.g. if **you** fail to comply with a condition. Cover is subject to the full terms and conditions of **our** agreement with **you**.

If You Reduce Our Rights

We will not pay that part of a claim where **you** have agreed to limit or exclude **our** rights to recover **your** loss from another party.

Any coverage established by ATIA is only in respect of any "eligible **terrorism** loss" resulting from a "terrorist act" which is a "declared terrorist incident" as defined in ATIA. The **Terrorism** exclusion to which this Insurance is subject applies in full force and effect to any other loss and any act or event that is not a "declared terrorist incident".

All other terms, conditions, insured coverage and exclusions of this Insurance including applicable limits and deductibles remain unchanged.

If any or all of the Underwriters have reinsured this Insurance with the Australian Reinsurance Pool Corporation, then any such Underwriters will not be liable for any amounts for which they are not responsible under the terms of ATIA due to the application of a "reduction percentage" as defined in ATIA which results in a cap on the Underwriter's liability for payment for "eligible **terrorism** losses".

We will try to match any material used to repair the damage with the original materials. If **we** cannot, **we** will use the nearest equivalent material available. **We** will not pay any costs for replacing undamaged property.

How Your Claim is Valued

1. New for Old

What it would cost now to build **your home buildings**.

2. Other Costs

In addition to the **sum insured**, **we** will also pay up to 10% of the **home building sum insured** for the cost of:

- fees, demolition, removing debris and propping up that are needed to rebuild **your home buildings** following an incident that **we** have agreed to cover;

- rebuild at a different place or in a different style if **your home buildings** are destroyed.

4. If Less Than Half of Your Home Buildings are Damaged

- want them repaired or rebuilt; or
- repair or rebuild them in a reasonable time.

6. Damage to Fixed Coverings to Walls, Floors or Ceilings

7. Special Architectural Features

If your home building has architectural features or structural materials possessing an ornamental or historical character for which the original materials are not available, we will only pay the necessary costs to repair or replace the home building to a reasonably equivalent appearance and capacity, using the original design and suitably equivalent materials that are readily available in Australia.
