9						\$
10						\$

Attach list if insufficient space.

Is a current maintenance logbook kept for every pump as required by AS2550.15:2019?

Yes No

If yes, please provide details.

Are all units fully maintained by a formal preventative maintenance program as outlined in the same Australian Standard?

Yes No

If yes, please provide details.

What is the name or Company of the 'competent person' (as defined in relevant Australian Standards) or repairer who certifies the routine inspection as required by the Standard?

Is a JSA (Job Safety Statement) or SWMS (Safe Work Method Statement) completed by a supervisor or manager before pours commence on major construction sites? Yes No

If yes, please provide details.

What is the operators' years of experience with using this type of equipment?

Are operators issued with a SOP (Safe Operating Procedures) Manual? Yes No

If yes, please provide details.

Are operators instructed to complete a pre-trip / daily visual inspection of their unit and is this checked by supervisor / manager? Yes No

Have you ever had a boom pump collapse or fall over when operating? Yes No

If yes, please provide full details of circumstances, make and age of pump and amount of damage caused.

Are there any overseas manufactured vehicles to be insured that:

i) In the event of damage, do not have parts available locally and / or the requisite expertise to be able to conduct repairs in Australia? Yes No

If yes, please provide full details of items.

ii) Are subject to warranty conditions, which would inhibit warranty repairs being conducted in Australia? Yes No

If yes, please provide full details of items.
