

360 PLANT & EQUIPMENT.

Delivers Efficient & Tailored Insurance Solutions.

360 Plant and Equipment provides contractors with specialist, purpose-built insurance cover for their mobile plant and equipment. With 20 years of niche underwriting expertise, we offer a flagship Mobile Plant and Machinery policy with Broadform Liability cover that extends to Contractual Liability exposures for Covered Contracts, and an innovative Civil Contractors policy designed specifically for smaller operators. We offer cover options for a variety of your clients needs.

What makes 360 Plant & Equipment different?

- + Brokers can easily transact Plant and Equipment insurance for the whole life cycle of any policy
- + We are always available to help with your enquiries and underwriting needs. Our extensive experience is coupled with tier one insurance security partners.
- + Our experience and tailored products make us an ideal insurance provider for businesses who, own, hire, supply and operate the plant and equipment for use in construction, maintenance and repair activities.
- + Our clients come from a diverse range of industries including Construction, Infrastructure, Energy (excludes directional drilling in excess of 100m in either direction (all sections), Mining (excludes coal) and General.
