We rely on the information contained in the proposal form(s) You submitted and any other written or on-line statements or applications made by You or anyone acting on Your behalf.

## Your Policy

Your Project Specific Construction Insurance Policy consists of the terms, Conditions and Exclusions contained within this document, together with the Policy Schedule (Schedule) and any Endorsements (where applicable) that We give You. This Policy is a legal contract between You and Us.

When You pay the Provisional Premium, We will provide You with the cover You have chosen as set out in this Policy, during the Period of Insurance. The Excesses set out in the Schedule apply to all claims except where otherwise stated.

Please read Your Policy carefully, and satisfy Yourself that it provides the cover You require. If You want more information about any part of Your Policy, please contact 360 Quick Construct.

You should keep Your Policy in a safe and convenient place for future reference.

## Non-Renewable Policy

The Policy is designed to cover Your specific project only, and the Period of Insurance should be chosen to reflect that. The Policy is non-renewable and the cover provided will terminate at the end of the Period of Insurance specified in the Schedule.

The Period of Insurance will commence on Your chosen day at 4pm Australian Eastern Standard Time. Similarly, the Period of Insurance will expire on Your chosen day at 4pm Australian Eastern Standard Time.

An extension to the Period of Insurance is not always available and will be determined by the specific details relating to Your project and the current Policy loss history. If You want to apply for an extension to the Period of Insurance, You will need to contact Your insurance broker, inform them of the current details giving rise to the need for the extension and request they approach 360 Quick Construct to consider the request.

## Adequacy of Sums Insured

Our liability to You for a loss under this Policy may be limited if the Sums Insured do not represent the full insurable value of Your property covered by this Policy. It is important that You read and understand the Adequacy of Sums Insured clause in the Conditions to Section 1 of this Policy.

## Goods & Services Tax (GST)

The amount of premium payable by You for this Policy includes an amount on account of the GST. You must advise Us of Your correct Australian Business Number and Your entitlement to an Input Tax Credit on Your premium.

When We pay a claim, We will reduce the GST amount payable by the amount of any Input Tax Credits to which You are entitled for any Acquisition relevant to a claim, or to which You would have been entitled should You have made a relevant Acquisition.

Any GST liability arising from Your incorrect advice is payable by You.

GST, Input Tax Credit and Acquisition have the same meaning as given to those expressions in *A New Tax System (Goods and Services Tax) Act 1999* and related legislation as amended subsequently.

## Preventing Our Right of Recovery

If You have agreed with or told someone who caused You loss, damage or liability covered by Your Policy that You won't hold them responsible then, to the extent We've been prejudiced by this act, We won't cover You for that loss, damage or liability.

## Other Party's Interest

You must tell Us about all parties (e.g. financiers, lessors) to be covered by this Policy. We will protect their interests only if You so nominate them and have them noted on the Schedule. Any person whose interests You've told us about and We've noted on Your Policy Schedule is bound by the terms of Your Policy in relation to any claim they make.

## Excesses

You will pay an Excess for every claim You Make under this Policy, and such Excesses apply separately per *Section 1* and *Section 2* explained below.

However, only the highest Excess is to apply where more than one Excess per Section will be applicable to a claim.

The Excess operates as a deductible, where the amount of the Excess forms part of the Sums Insured / Limits of Liability. This means that the maximum amount payable under this Policy are the Sums Insured / Limits of Liability minus the Excess.

### Section 1:

In respect of claims under *Section 1*, there are various types of Excesses that may apply as follows:

- a. Major Perils Excess
- b. Minor Perils Excess
- c. Testing and Commissioning Excess

- f. Named Cyclone Excess

The Major Perils Excess is payable where Insured Damage is caused by a Major Peril.

The Minor Perils Excess is payable where Insured Damage is caused by a Minor Peril.

The Testing and Commissioning Excess is payable where Insured Damage is caused by the testing and commissioning of the Contract Works covered under *Section 1, Additional Insured Items*, where declared in the Schedule.

The Existing Structures Excess is payable where Insured Damage is caused to any Existing Structures covered under *Section 1, Additional Insured Items*, where declared in the Schedule.

The Burglary / Theft Excess is payable where Insured Damage is caused by burglary or theft.

The Named Cyclone Excess is payable when Insured Damage is caused by a Named Cyclone.

### Section 2:

In respect of claims under *Section 2*, there are Excesses for Personal Injury and Property Damage, worker injury and vibration, removal or weakening of supports and/or underpinning.

Any Excess will become payable by You progressively as the costs are incurred by Us, up to the full amount of Excess as stated in the Schedule.

The subscribing insurers (Our) obligations under contracts of insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. ## Multiple Insureds & Severability

Each of the parties comprising You shall for the purpose of this Policy be considered a separate insured entity, with the words You, Your, Yourself applying to each as if they were separately and individually insured provided that Our total liability under this Policy to You collectively shall not exceed the applicable Sums Insured or Limit of Liability.

Accordingly Our liability under this Policy to any one insured party shall not be conditional upon the due observance and fulfilment by any other insured party of the terms and conditions of this Policy or of any duties imposed upon that insured party relating thereto and shall not be affected by any failure in such observance or fulfilment by any such other party.

It is understood and agreed that any payment or payments by Us to any one or more of the insured parties shall reduce to the extent of that payment Our liability to You arising from any one Occurrence or Event, as relevant, giving rise to a claim under this Policy.

We shall be entitled to avoid this Policy in respect of any insured party in circumstances of fraudulent misrepresentation or fraudulent non-disclosure (each referred to in this clause as a Vitiating Act) committed by that insured party.

For the avoidance of doubt it is however agreed that a Vitiating Act committed by one insured party shall not prejudice the right to indemnity of any other insured party who has a financial, legal or equitable interest and who has not committed the Vitiating Act.

## Our Right of Inspection

We will be permitted but not obliged to inspect the Contract Works, subject to reasonable notice. Neither Our right to make inspections nor the making of such inspection or any report will constitute an undertaking to determine or warrant that such property or operations are safe or healthful or are in compliance with any law, rule or regulation.

## Subrogation

We shall waive any rights and remedies to which We become entitled by subrogation against any party insured under this Policy, except as against a party insured under this Policy that is responsible for a Vitiating Act (as defined in the Multiple Insureds and Severability General Condition).

In the event that We have a right to recover any monies payable under this Policy from any person other than You, You agree to give us all reasonable assistance in any action which We may take. We may take action before We pay Your claim and whether or not You have been fully compensated for Your actual loss.

## Other Insurance

If at the time of any loss, damage or liability there's any other insurance (whether issued to You or any other person) which covers the same loss, damage or liability You must provide Us with any reasonable assistance We require to make a claim for contribution from any other insurer(s).

## Breach of Conditions

Any breach of any Condition of this Policy, without Your knowledge and consent or beyond Your control shall not prejudice the cover provided by this Policy. Notice in writing shall be given to Us upon such breach coming to Your knowledge and such additional premium as may be reasonably required by Us shall be paid as from the date of the breach first coming to Your knowledge.

Where the final value of the Contract Works differs from the estimated value of the Contract Works, then the final premium for this Period of Insurance shall be determined by applying the agreed rate to the final value of the Contract Works.

The difference between the final premium and the Provisional Premium will be calculated and:

- + where the final premium exceeds the Provisional Premium, the Named Insured will be required to pay to Us, or cause to be paid to Us, the difference in those premiums, being the Adjustment Premium; or
- + where the final premium is less than the Provisional Premium, We will refund to the Named Insured the difference in those premiums. However the maximum amount We will refund to the Named Insured will be 25% of the Provisional Premium.

If You have paid Your premium in advance, We will refund You the proportion of the premium for the remaining Period of Insurance, less any non-refundable government fees, duties or charges;
- b. by Us, in accordance with the provisions of the *Insurance Contracts Act 1984*. The Named Insured will be entitled to a refund of premium in respect of the unexpired Period of Insurance, provided You have not made a claim during the Period of Insurance to be cancelled.
