Re-securing

This policy is extended to cover all reasonable costs and expenses incurred in re-securing the **goods** where there has been movement of the **goods** in transit, which makes re-securing necessary, even though there may be no claim resulting from the incident provided these circumstances were outside **your** control and **you** could not be reasonably be expected to have knowledge of them in the normal course of **your** business.

Subject to a limit of \$10,000 any one incident, unless otherwise specified in the policy schedule.

Shut-out

In the event of the **goods** being “shut-out” from the conveyance at an intermediate place during the course of transit, this insurance covers the **goods** whilst waiting for an alternative conveyance provided the **goods** are stored in a secure area, but excluding any loss or damage caused by delay.

Transfer/Onforwarding

Where, due to an event covered by this policy, the transit is terminated short of the intended destination this policy covers all reasonable costs incurred in transferring, storing and forwarding the **goods** to the original destination in Australia. This extension does not include costs incurred due to **your** insolvency or financial default.

Wandering Off (livestock only)

This policy covers loss of livestock due to ‘wandering off’ from the scene of the **accident** caused by an insured event.

Subject to a limit of \$50,000 any one loss or series of losses arising from one insured event, unless otherwise specified in the policy schedule.

 5. Caused by ordinary leakage, ordinary loss in weight or volume, or ordinary wear and tear of the **goods**;

16. From Communicable Diseases:
 - + this policy does not insure any loss, damage, liability, claim, cost or expense of whatsoever nature caused by, contributed to by, resulting from, arising out of, or in connection with a Communicable Disease or the fear or threat (whether actual or perceived) of a Communicable Disease regardless of any other cause or event contributing concurrently or in any other sequence thereto;
 - + as used herein, a Communicable Disease means any disease which can be transmitted by means of any substance or agent from any organism to another organism where:
 - the substance or agent includes, but is not limited to, a virus, bacterium, parasite or other organism or any variation thereof, whether deemed living or not; and
 - the method of transmission, whether direct or indirect, includes but is not limited to, airborne transmission, bodily fluid transmission, transmission from or to any surface or object, solid, liquid or gas or between organisms; and

Sanction Limitation and Exclusion Clause

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that to do so may expose us to any sanction, prohibition, or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

Laws Impacting Cover

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that it is unlawful for us to do so.

In addition, the following clause shall be paramount and shall override anything else contained in this insurance.

Notwithstanding any provision to the contrary contained in this policy or the clauses referred to within this policy, it is agreed that in so far as this policy covers loss of or damage to the **goods** insured caused by terrorism or any terrorist or any person acting from a political motive, such cover is conditional upon the **goods** insured being in the ordinary course of transit and, in any event, shall terminate either:

- as per the *Section 3: The Transit*; or
- on delivery to any other warehouse or place of storage, whether prior to or at the destination, which **you** elect to use either for storage other than in the ordinary course of transit or for allocation or distribution, whichever shall first occur.

For the purpose of this insurance, 'Terrorism' means any act(s) of any person(s) or organisation(s) involving:

- + the causing, occasioning or threatening of harm of whatever nature and by whatever means; and/or
- + putting the public or any section of the public in fear, in circumstances in which it is reasonable to conclude that the purpose(s) of the person(s) or organisation(s) concerned are wholly or partly political, religious, ideological or similar nature.

'Terrorism' shall also include steps taken to prevent, suppress, control or reduce the consequences of any actual, attempted, anticipated, threatened, suspected or perceived terrorism.

Antiques, Paintings and Pictures

We will not be liable for any loss, damage or expense caused by:

1. Delay, confiscation or detention by customs or other officials or authorities;
2. Wear and tear, moth, vermin, normal atmospheric or climatic conditions;
3. Inherent vice of the **goods**.

Section 8: General Conditions (applicable to all sections)

Changes to Your Circumstances

If **you** want to make a change to this policy, the change becomes effective when **we** agree to it in writing. If **you** do or omit to do something which materially changes the risk, as disclosed at the commencement or renewal of this policy or in **your** policy schedule that increases the chances of future loss, **you** must give **us** notice in writing as soon as possible.

If **you** do not give **us** notice, **we** will only cover **you** to the extent **we** would have agreed to cover **you** had **you** told **us** about the change.

Authorisation

We may give to and obtain from any other insurers, insurance reference bureaus and credit reporting agencies any information relating to **your** credit or insurance history as well as insurance claims information.

Automatic Reinstatement

The indemnity granted by this policy is limited to the limit of liability shown in the policy schedule, which is reduced by any claims paid. Reinstatement shall be automatic subject to payment of the appropriate additional premium and any charges (where applicable). If **we** request an additional premium, **you** must pay it to **us**, or the cover will be reduced by the amount of the claim settlement.

Benefit of Insurance

The carrier or any other bailee cannot claim any benefit under this policy. **Your** rights under this policy are not prejudiced by any agreement exempting the carrier from liability.

Contribution and Other Insurance

When making a claim, **you** must notify **us** of any other insurance that **you're** aware will or may, whether in whole or in part, cover any loss insured under **your** policy.

If at the time of any loss, damage or liability there's any other insurance (whether issued to **you** or any other person) which covers the same loss, damage or liability **you** must provide **us** with any reasonable assistance **we** require to make a claim for contribution from any other insurer(s).

Sending You Documents

Documents relating to **your** insurance policy will be sent by post or email. Where **you** have been given the choice, they will be sent by **your** chosen delivery method and **you** can change **your** preference at any time.

It is **your** responsibility to make sure **your** contact details are current (including telephone number, email and mailing address where relevant) and **you** must update these as soon as they change.

Joint and Co-insureds

If more than one person is named as the insured in the policy schedule, **we** will treat an act, omission, statement or a claim by any one of those persons as an act, omission, statement or a claim by all of them.

References to Legislation

Legislation referenced in this policy includes subsequent legislation. Any term used in this policy and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

'Subsequent legislation' means:

- + an act or regulation as amended, replaced or re-enacted;
- + where an act or regulation has been repealed, the current equivalent act or regulation (Commonwealth, State or Territory) with materially the same object or purpose whether in whole or in part.

Underinsurance

We require **you** to insure for the full value or maximum potential risk. If **you** do not do so, and **you** are underinsured, **we** may pay **you** less in the event of a claim, calculated in accordance with either the policy or the *Marine Insurance Act 1909 (Cth)* where applicable, which takes into account the degree of underinsurance.

Other Interests

You must inform **us** of the interests of all third parties (e.g. financiers or lessors) to be covered by this policy. **We** protect the interest of third parties only if **you** have informed them and the interest (s) are noted in the policy schedule.

You must not transfer any interests in **your** policy without **our** written consent (which will not be unreasonably withheld).

Any person whose interests **you've** told **us** about and **we've** noted on **your** policy schedule is bound by the terms of **your** policy in relation to any claim they make.

Turnover/Sendings and Premium Calculation

The deposit premium calculated and payable at the commencement of each **period of insurance** is based on estimated turnover/sendings figures provided by **you**. **You** must declare the actual turnover/sendings on expiry of the period of this policy or any subsequent period for which the policy is renewed within two months from the expiry of each **period of insurance**. This figure should represent the actual value of all **goods** for which **we** were at risk during the **period of insurance**.

The premium will be adjusted in accordance with the rating factors set out in the policy schedule or as otherwise agreed in writing. The difference between the premium for the actual figures at the end of the period and the deposit premium will be paid by or refunded to **you**, subject to a minimum premium of 75% of the deposit premium being retained by **us**.

If the deposit premium is \$2,000 or less, the deposit premium shall be regarded as the minimum premium for the **period of insurance** shown in the policy schedule, and no adjustment or declaration of actual figures is required.

You are required to keep accurate records and, on request, will submit audited copies to **us**. If **we** request an audited copy of the records and this is not available then **we** may appoint an auditor. **We** will pay for the cost of the audit but if it reveals that the figures declared by **you** are understated, **you** must reimburse **us** that cost.

Warranties

Any warranties specified in the policy schedule are to be regarded as conditions of the policy.

Section 9: Claims

How Much We Pay

Depending on the circumstances, the amount **we** pay will be (unless otherwise stated in the policy schedule):

- + the cost of repairing or replacing lost or damaged **goods** including freight costs; or
- + the actual value of the lost or damaged **goods** at the time of loss (e.g. unless the **goods** were new, an amount for depreciation and wear and tear will be deducted from the claim) including freight costs.

This amount will be subject to the limit of liability stated in the policy schedule.

It may be that **we** do not consider the loss or damage is covered by this policy. Whatever **our** decision, **we** will write to **you** and clearly explain **our** reasons.

Antiques, Paintings and Pictures

The amount **we** pay will be:

- + the reasonable cost of repair excluding any depreciation; or
- + the market value of the **goods** as established by an independent and qualified valuer.

Brands/Labels

In the event of loss or damage of **goods** bearing embossed or indented brands or labels or other permanent markings identifying **you** as the manufacturer or supplier, or exclusive and/or secret formula that may be involved, the **goods** may be retained by **you** to dispose of as **you** see fit provided a reasonable allowance is agreed for the value of the damaged and undamaged **goods**.

Where only the labels of the **goods** are affected by the insured event, the amount payable by **us** is limited to the reasonable cost of reconditioning and re-labelling. Subject to **our** liability not exceeding the value of the **goods**.

Claims Documentation

To enable claims to be dealt with promptly, **you** are advised to submit all available supporting documents without delay, including, where applicable:

1. Policy number or evidence of insurance;
2. Original contract of carriage, consignment note or other contract of carriage;
3. Original or copy shipping invoices, shipping specifications, weight notes, sales invoice or other document evidencing value;
4. Survey report or other documentary evidence to show the extent of the loss or damage;
5. Delivery docket and weight notes at final destination;
6. Correspondence exchanged with carriers and other parties regarding their liability for the loss or damage.

Excess

The amount stated in the policy schedule as the excess will be deducted from each and every loss.

Fraudulent Claims

We may be entitled to refuse to pay or to reduce the amount of a claim if:

- + it is any way fraudulent; or
- + any fraudulent means or devices are used by **you** or anyone acting on **your** behalf to obtain any benefits under this policy.

General Average

In the event of a **general average** contribution arising under this policy, contact **us** before signing any **general average** bond.

Limit of Liability

Our liability is limited to the amount stated in the policy schedule for any one loss or series of losses caused by the one insured event.

New Machinery Replacement

Where loss or damage to any part or parts of a new machine is caused by an insured event, the amount the insurers pay will be:

- + the cost of replacement or repair of the part or parts; and
- + additional charges for forwarding and refitting.

Subject to **our** liability not exceeding the value of the complete machine.

Pairs and Sets

Where any item is part of a pair or set, **we** will only pay the reasonable cost of replacing or repairing that item. **We** do not pay for any special value the item may have as part of the pair, set or collection.

If **we** can't repair an item which forms part of a set or pair or it can't be replaced because:

- + **we're** unable to reasonably match it; or
- + the functionality of the set or pair is lost (e.g. hearing aids/sporting equipment);

you can choose to either:

- + surrender the remaining item(s) to **us**, in which case **we'll** pay the replacement value of the set or pair, up to any applicable limit; or
- + keep the remaining item(s), in which case **we'll** pay the replacement value of the lost or damaged item.

Second-hand Replacement

Where loss or damage to any part of the **goods** is caused by an insured event and new parts are used, the amount **we** pay will be:

- + the proportion of the cost of replacement of parts lost or damaged as the amount insured bears to the value of an equivalent new unit; plus
- + additional charges for forwarding and refitting the new part or parts if incurred.

Subject to **our** liability not exceeding the value of the **goods**.

What You Must Do

If there is any loss or damage which may result in a claim under this policy, **you** must take the following steps:

1. Action as soon as possible
 - + take all reasonable measures to avoid or minimise any loss, damage or expense (the reasonable and necessary cost of doing this will be payable by **us**);
 - + take all reasonable steps to ensure that all rights against carriers, bailees or other third parties are properly preserved and exercised;
 - + inform the police as soon as possible after a theft is discovered.
2. Notification
 - + inform **us** of the event as soon as possible;
 - + submit to **us** full written particulars as soon as possible;
 - + send to **us** all correspondence and documents relating to the event;
 - + provide, or arrange for **us** to be provided with, statements, invoices, and other items documenting the amount of the loss.
3. When other parties may be liable to **you** for the loss, damage or liability, **you** must:
 - + not agree to release those parties from liability;
 - + hold the parties liable by delivering a notice of intention to claim within three days of delivery;
 - + in no circumstances, except under written protest, give clean receipts where the **goods** are in doubtful condition.
4. When delivery is made by container, ensure that the container and seals are examined immediately by the responsible official.
 - + if the container is delivered damaged or with seals broken or missing or with seals other than stated in the shipping documents, note the delivery docket accordingly and retain all defective or irregular seals for subsequent identification.

5. If the loss or damage was not immediately apparent at the time of delivery, apply immediately for surveys by the carriers or other bailees to be conducted within three days of delivery.
6. Inform **us** of the circumstances and let **us** have a copy of all relevant documents.

Measures taken by **you** or **us** with the object of saving, protecting or recovering the **goods** insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

Failure to comply with the above conditions concerning claims procedures and documentation may prejudice any claim under the policy.

How Claims Administration and Legal Proceedings Are Undertaken

When **we** pay a claim under **your** policy, **we** have the right to exercise **your** legal rights in **your** name against the person responsible for the loss or damage.

We'll take full control of the administration, conduct and settlement of the recovery, including any legal defence. When **we** do any of these things in **your** name, it will be at **our** expense, however **you'll** need to give **us** reasonable assistance. This may include following **our** directions in relation to the conduct of any legal proceedings even after a claim has been paid. During the administration, conduct or settlement of the recovery, **you** can seek an update on the status of proceedings and **we** will consult **you** where appropriate.

When **we** pay a claim and some of the loss isn't covered by **your** policy, **we** may offer to try to recover that loss for **you** when **we** take any steps to recover the covered loss. **We** can only do so if **you** agree to give **us** documents that support **your** loss and agree with **us** on how **we'll** handle that recovery.

You may also need to contribute to the associated costs if, to recover the loss for **you**, **we** need to take additional steps that **we** wouldn't otherwise need to take. **We** will talk to **you** about these steps before **we** take them.

If **you've** received a benefit under **your** policy that **you** were not entitled to, **we** reserve the right to recover from **you** the amount **we** have paid. If **we** decline a claim for fraud, **we** reserve the right to recover **our** reasonable administration, investigation and legal costs.

How Goods and Services Tax Affects Any Payments We Make

The amount of premium payable by **you** for this policy includes an amount on account of the GST on the premium.

When **we** pay a claim, **your** GST status will determine the amount **we** pay.

When **you** are:

- a. not registered for GST, the amount **we** pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST;
- b. registered for GST, **we** will pay the sum insured/limit of indemnity or the other limits of insurance and where **you** are liable to pay an amount for GST in respect of an acquisition relevant to **your** claim (such as services to repair a damaged item insured under the policy) **we** will pay for the GST amount.

We will reduce the GST amount **we** pay for by the amount of any input tax credits to which **you** are or would be entitled if **you** made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through **your** Business Activity Statement (BAS).

You must advise **us** of **your** correct Australian Business Number and Taxable Percentage.

Any GST liability arising from **your** incorrect advice is payable by **you**.

Where the settlement of **your** claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, **we** will only pay an amount for GST (less **your** entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover **your** loss, **we** will only pay the GST relating to **our** settlement of the claim.

We will (where relevant) pay **you** on **your** claim by reference to the GST exclusive amount of any supply made by any business of **yours** which is relevant to **your** claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in *A New Tax System (Goods and Services Tax) Act 1999* and related legislation as amended from time to time.

Taxable Percentage is **your** entitlement to an Input Tax Credit on **your** premium as a percentage of the total GST on that premium.

Section 10: Cancellation

At any time, **you** may cancel this policy by giving **us** notice in writing. If there are other people named as insured on **your** policy, **we** may rely on a request from one insured to cancel **your** policy.

We may cancel **your** policy in any of the circumstances permitted by law (e.g. failure to pay the premium by the due date or if **you** told **us** something that **you** knew to be incorrect or untrue during **your** application for cover) by informing **you** in writing (including electronically).

The notice of cancellation does not apply to any **goods** that have commenced transit in accordance with the conditions of this policy before cancellation becomes effective.

We'll give **you** notice in person or send it to **your** address (including an electronic address) last known to **us**.

If **you've** paid **your** premium in advance, **we'll** refund **you** the proportion of the premium for the remaining **period of insurance**, less any non-refundable government fees, duties or charges, irrespective of any premium funding arrangement by **you**.

If the premium is based on turnover or other variable amount that must be declared to **us**, any refund of premium will be made after the turnover or other variable amount has been declared to **us** and the premium adjusted irrespective of any premium funding arrangement by **you**.
